

“A Higher Calling: Honoring Him Where You Are”  
1 Corinthians 7:17-24

Because of Christ, your ethnicity/vocation/social or marital status are no longer the primary ambitions or distinctions in life. This frees you to be content with where God has called you and to honor Him in whatever your circumstance.

2 Analogies:

1. Circumcision
2. Slavery

3 Implications:

1. All are under Christ's authority.
2. All in the church have equality in Christ.
3. All cost the same price.

1 Principle and a Lengthy Application:

Arrange your ambitions on what will honor Christ, not on what seems right to man.
